

Middle School CTE: Intro to Art, A/V Technology and Communication

Demonstrate an understanding of the audio and video technology and film career pathway. CTE-AATC.68.AV.01

01.: Define and use proper terminology associated with the audio and video technology and film career pathway. CTE-AATC.68.AV.01.01:

02.: Describe some of the careers available in the audio and video technology and film career pathway. CTE-AATC.68.AV.01.02:

03.: Identify common characteristics of the careers in the audio and video technology and film career pathway. CTE-AATC.68.AV.01.02: CTE-AATC.68.AV.01.03:

04.: Research the history of the audio and video technology and film career pathway and describe how the associated careers have evolved and impacted society. CTE-AATC.68.AV.01.04:

05.: Identify skills required to successfully enter a career in the audio and video technology and film career pathway. CTE-AATC.68.AV.01.05:

06.: Describe technologies associated in careers within the audio and video technology and film career pathway. CTE-AATC.68.AV.01.06:

Demonstrate an understanding of the Performing Arts career pathway CTE-AATC.68.PERFRM.01

01.: Define and use proper terminology associated with the performing arts career pathway. CTE-AATC.68.PERFRM.01.01:

02.: Describe some of the careers available in the performing arts career pathway. CTE-AATC.68.PERFRM.01.02:

03.: Identify common characteristics of the careers in the performing arts career pathway. CTE-AATC.68.PERFRM.01.03:

04.: Research the history of the performing arts career pathway and describe how the associated careers have evolved and impacted society. CTE-AATC.68.PERFRM.01.04:

05.: Identify skills required to successfully enter a career in the performing arts career pathway. CTE-AATC.68.PERFRM.01.05:

06: . Research the history of the telecommunications career pathway and describe how the associated careers have evolved and impacted society. CTE-
AATC.68.PERFRM.01.06:

Demonstrate an understanding of the Printing Technology career pathway CTE-
AATC.68.PRINT.01

01:. Define and use proper terminology associated with the printing technology career pathway. CTE-AATC.68.PRINT.01.01:

02:. Describe some of the careers available in the printing technology career pathway. CTE-AATC.68.PRINT.01.02:

03:. Identify common characteristics of the careers in the printing technology career pathway. CTE-AATC.68.PRINT.01.03:

04:. Research the history of the printing technology career pathway and describe how the associated careers have evolved and impacted society. CTE-
AATC.68.PRINT.01.04:

05:. Identify skills required to successfully enter a career in the printing technology career pathway. CTE-AATC.68.PRINT.01.05:

06:. Describe technologies associated in careers within the printing technology career pathway. CTE-AATC.68.PRINT.01.06:

Demonstrate an understanding of the telecommunications career pathway CTE-
AATC.68.TELCOM.01

01: . Define and use proper terminology associated with the telecommunications career pathway. CTE-AATC.68.TELCOM.01.01:

02: . Describe some of the careers available in the telecommunications career pathway. CTE-AATC.68.TELCOM.01.02:

03: . Identify common characteristics of the careers in the telecommunications career pathway. CTE-AATC.68.TELCOM.01.03:

04: . Research the history of the telecommunications career pathway and describe how the associated careers have evolved and impacted society. CTE-
AATC.68.TELCOM.01.04:

05: . Identify skills required to successfully enter a career in the telecommunications career pathway. CTE-AATC.68.TELCOM.01.05:

06: . Describe technologies associated in careers within the telecommunications career pathway. CTE-AATC.68.TELCOM.01.06:

Demonstrate an understanding of the Visual Arts career pathway CTE-
AATC.68.VISUAL.01.

01:. Define and use proper terminology associated with the visual arts career pathway. CTE-AATC.68.VISUAL.01.01:

02:. Describe some of the careers available in the visual arts career pathway. CTE-
AATC.68.VISUAL.01.02:

03: . Identify common characteristics of the careers in the visual arts career pathway. CTE-AATC.68.VISUAL.01.03:

04: . Research the history of the visual arts career pathway and describe how the associated careers have evolved and impacted society. CTE-AATC.68.VISUAL.01.04:

05: . Identify skills required to successfully enter a career in the visual arts career pathway. CTE-AATC.68.VISUAL.01.05:

06: . Describe technologies associated in careers within the visual arts career pathway. CTE-AATC.68.VISUAL.01.06:

Apply leadership and communication skills CTE-

GEN.68.GENRL.11

11: . Discuss the establishment and history of the SkillsUSA organization. CTE-GEN.68.GENRL.11.11:

14: . Identify the characteristics and responsibilities of organizational leaders. CTE-GEN.68.GENRL.11.14:

18: . Demonstrate parliamentary procedure skills during a meeting. CTE-GEN.68.GENRL.11.18:

19: . Participate on a committee which has an assigned task and report to the class. CTE-GEN.68.GENRL.11.19:

20: . Demonstrate effective communication skills through delivery of a speech, presentation, or demonstration. CTE-GEN.68.GENRL.11.20:

21: . Use a computer to assist in the completion of a project related to the career cluster. CTE-GEN.68.GENRL.11.21:

Use information technology tools CTE-

GEN.68.TECH.01

01: . Identify the functions of web browsers, and use them to access the world wide web and other computer resources typically used in the career cluster. CTE-GEN.68.TECH.01.01:

02: . Use email clients to send simple messages and files to other internet users. CTE-GEN.68.TECH.01.02:

03: . Demonstrate ways to communicate effectively using internet technology. CTE-GEN.68.TECH.01.03:

04: . Use different types of web search engines effectively to locate information relevant to the career cluster. CTE-GEN.68.TECH.01.04:

01: . Identify through internet research the responsibilities, tasks, and skills required for information technology careers in the career cluster. CTE-GEN.68.TECH.04.01:

02: . Identify security-related ethical and legal information technology issues faced by professionals in the career cluster. CTE-GEN.68.TECH.04.02:

03: . Relate information technology project management concepts and terms to careers in the career cluster. CTE-GEN.68.TECH.04.03:

04: . Manage information technology components typically used in professions of the career cluster. CTE-GEN.68.TECH.04.04:
